A message from our Principal Mr. Medina

Parents and Community,

It is with great joy that I welcome you to a new school year! Bradley Elementary has enjoyed consistent success over the last few years and heading into the 19-20 school year we expect even greater things. From our outstanding teachers and support staff to our excellently maintained facilities, your children will have access to the latest and greatest in technology, teachers, curriculum and learning resources.

As some of you may know, the Asbury Park School District has been hard at work with its #nextlevelAPSD movement and Bradley will contribute to this cause by stepping it up even more.

We will offer exceptional instructional programming, top-notch facilities and extracurricular activities that will support growth. Examples of our offerings and opportunities can be found in our:

- Highly trained educators
- Updated and revised curriculum and instruction
- Instructional resources that track and guide student learning
- Robust after-school programming where students have access to additional resources, teachers and learning opportunities
- Top-notch facilities: multi-purpose room, Gymnasium, full turf field, STEAM lab and Discovery Center
- High level PLCs where teachers continuously refine and update their craft
- Social Emotional Learning

Through these offerings and with a dedicated, highly skilled leadership team, we are proud to create equitable opportunities and environments that foster student success both intellectually and emotionally. Attending Bradley will provide students with rich and varied experiences that they will carry with them throughout their lives.

As you and your children begin this journey with us, know that we will hold ourselves and our students to high standards, the Bradley standard, and expect that they will rise to the occasion. Our partnership with you will help your children develop intellectually and academically, staying on pace to become successful adults. If you would like to learn more about our offerings and student opportunities, please feel free to call in or make an appointment to speak with me. I look forward to engaging with you throughout the year.

With warm wishes for the new school year,

Perry J Medina Principal

Scholastic Book Fair:

September 23-27, 2019

Open during Back to School Night!

Mrs. Johnson
and Ms. Kelly's
class are
"Shooting for the
Stars" with our
Fantastic
Firsties!!!!

Welcome to all of Mrs.
Hamilton and Ms.
Barkers' students! We
are learning about our new friends! Kindergarten is very fun and exciting!

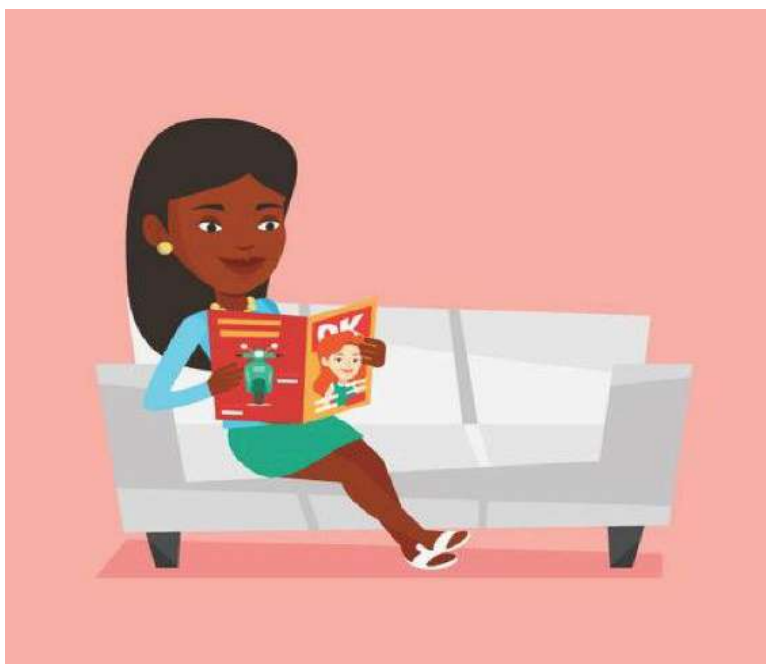

Jennifer Hamilton

In the Art Room. Ms. Costanza-1st and 2nd Grade "Shoot for the Moon. Even if you miss you will land among the stars."
We discussed our school theme in the Art Room and talked about some of our goals for this school year. Students discussed what they would like to achieve and learn. Then, we created an illustration of our learning goals.
Great job students!!!

Mrs. Badillo and Ms. T's class have been off to a wonderful start!! We are enjoying getting to know all of our new friends and learning our Kindergarten routine. The class is busy showing off how smart they all are with their listening skills and showing how wonderfully they all get along with each other. We have read a few great books: Arthur's Baby and First Day Jitters are a few of our favorites. Aaron Barragan celebrated his 5th birthday on September 6th.

★ Coaches Corner ★

Thank you everyone for a great start to our 2019-2020 school year. We are here to provide you with classroom support for student achievement. If you need any assistance please do not hesitate to reach out to us.
